Leopoldine

Alto Adige Pinot Bianco, DOC 2020

Intense straw yellow, fruity and multilayered zesty acidity, full-bodied, long mineral finish.

Our Pinot Bianco grows at the Leisenhof in the heart of Caldaro. In summer, the downslope winds from the mountains bring welcome cooling after the heat of the day. The wine has a brilliant yellow presence in the glass and reveals aromatic fruity notes of ripe apple, apricot and a hint of lemon, rounded off with honey and flint notes. On the palate, the Pinot Blanc LEOPOLDINE is elegant and soft despite its minerality and its clear, crisp acidity. The finish is long and persistent.

Manual harvest and selection of the grapes from the historic vineyards with the oldest vines. Gentle pressing and pre-clarification by sedimentation. Fermentation under controlled temperature in stainless steel tanks and in new French barriques with malolactic fermentation (20%). After ageing on the fine lees for 12 months, bottling and a further 6 months of ageing in the bottle.
